Happiness Is . .

Happiness Is At 12:04 — 12:26

Our lunch break helps to increase

Alka-Seltzer sales.

Through her understanding of and great interest in young children, she has laid the foundation blocks for the education of many people. This is our way of saying THANKS to Mrs. Gertie Ransom for the countless times she has helped and encouraged us and many others.

Dedication

Midway toward our goal, we encountered many people who have influenced us. One of those people has shown such great compassion and has devoted such effort to our success that we wish to express our appreciation. In this way we thank you, Mrs. Gibson, for your cooperation and understanding throughout these years.
